A SEASON OF GRATITUDE

During this season, we are thankful more than ever for 2022 and the positive experiences it brought to TAEP. We were finally able to resume our in-person programming and to maximize the use of our new classroom space at the Visual and Performing Arts Center (VAPA).

The support we received this year from our sponsors and donors was invaluable, and our work could not have continued without you. The youth we serve were able to experience many art and cultural activities including culinary camp, dance, and other classroom lessons where life-skills and providing hope were paired with important social and emotional learning components. We are grateful for our qualified staff, facilitators and volunteers who also made this possible.

During our recent Thanksgiving Culinary camp, we welcomed Chef Valencia, who was in our program when she was 15 and is now joining us to teach a class and give back to other teens!

We also want to add a huge THANK YOU to all of our supporters, donors and sponsors who supported Shine. We look forward to serving more youth in 2023, and because of your generosity, we can celebrate even more. We wish all a Happy Thanksgiving and thank you!

**There Is Still Time To Help
Us Reach Our Fundraising Goal!**

**Support Our End of Year Fundraiser
Through December 31st**

Didn't get a chance to support our Annual Shine Event and Silent Auction? No problem. You can still give to our year-end fundraiser.

The children we serve are disproportionately represented among those experiencing social and racial injustice, as well as health and

opportunity inequity. Experiences that foster resilience, promote connections, and provide positive outlets for self-expression, are needed now more than ever. Help bring hope, healing and inspiration to the Charlotte children who need it most by making a year-end gift now:

MISSION: To break the cycles of violence and trauma through arts opportunities that ignite change in vulnerable youth.

VISION: A community that gives every child arts experiences that broaden horizons, foster resilience, and build essential life skills.

Sponsor a child's arts involvement, and afford them a brighter future. The average cost of program tuition and transportation per child is \$500. Your donation subsidizes this expense and allows TAEP participants to devote themselves to a transformative art experience free of financial burden.
