Judge Bill Jones Memorial Scholarship Fund

Our Scholarship Application is Now Open!

Judge Bill Jones was a visionary District Court Judge who worked tirelessly to improve the conditions for North Carolina's at-risk youth and protect the rights of young people caught up in the legal system. Just as he strived to encourage and empower at-risk youth, The Arts Empowerment Project seeks to continue his mission by making enriching arts opportunities more accessible for our students.

The Judge Bill Jones Memorial Scholarship Fund was established to fund at-risk students seeking to pursue private study, special training, or personal advancement in most areas of an arts related field. Applicant will need to complete a form describing the individual/family's financial need.

Don't miss out on this incredible opportunity to receive up to \$1500 in funding towards student participation in visual and performing arts workshops, classes, camps, production, research opportunities, and more!
