COMMUNITY IMPACT REPORT

COMMUNITY IMPACT REPORT

MISSION: To break the cycles of violence and trauma through arts opportunities that ignite change in vulnerable youth.

VISION: A community that gives every child arts experiences that broaden horizons, foster resilience, and build essential life skills

Sponsor a child's arts involvement, and afford them a brighter future. The average cost of program tuition and transportation per child is \$500. Your donation subsidizes this expense and allows TAEP participants to devote themselves to a transformative arts experience free of financial burden.
